The Power of Associations

THE POWER OF
ASSOCIATIONS

PURPOSE. COMMUNITY. IMPACT.

Associations are Partnerships

- An association is a group of persons banded together for a specific purpose.
- A group of people organized for a joint purpose.
- A connection or cooperative link between people or organizations.

Who Are We?

The Commercial Vehicle Safety Alliance (CVSA) is a nonprofit association comprised of local, state, provincial, territorial and federal commercial motor vehicle safety officials and industry representatives. The Alliance aims to achieve uniformity, compatibility and reciprocity of commercial motor vehicle inspections and enforcement activities by certified inspectors dedicated to driver and vehicle safety.
